

ADNR, Division of Mining, Land and Water, Resource Assessment & Development Unit

In addition to identifying any concerns and/or issues you might have with the proposed project, the following information is requested:

1. Land Use Plans - We have researched the ADNR Land Use Plan for the project area and any findings are identified in the scoping letter and/or Appendix A. If you know of any other existing and/or proposed land use plans and can identify any land use objectives that may conflict with the proposed project please provide that information.
