

U.S. Environmental Protection Agency

In addition to identifying any concerns and/or issues your agency might have with the proposed project, the following information is requested:

1. Identify any sole source or principal drinking water sources that may be affected by the proposed project.
2. We have researched the Alaska Department of Environmental Conservation Contaminated Sites, Spills and LUST program databases and any findings are identified in the scoping letter and/or Appendix A. If you know of any other confirmed or suspected contaminated sites, spills and any registered underground or above ground fuel storage tanks that may affect or be affected by the proposed project please provide that information.
3. Identify any permits and/or clearances to be obtained from your agency for the proposed project.
