

U.S. Fish and Wildlife Service

In addition to identifying any concerns and/or issues your agency might have with the proposed project, the following information is requested:

1. We have researched the USF&WS website with respect to known threatened and/or endangered species and their habitat for the project area and any findings are identified in the scoping letter and/or Appendix A. If you have any other information and/or data on threatened and/or endangered species in the project area that might potentially be affected by the proposal please provide that information.
2. We have researched the USF&WS website with respect to identifying National Wildlife Refuge lands in or adjacent to the project area and any findings are identified in the scoping letter and/or Appendix A. If you know of any other existing or proposed refuge lands in the vicinity of the project, and can identify any refuge objectives or activities that may conflict with the proposed project please provide that information.
3. We have researched the USF&WS National Wetland Inventory Maps with respect to identifying wetlands in or adjacent to the project area and any findings are identified in the scoping letter and/or Appendix A. If you know of any other wetlands that may be impacted by the project please provide that information.
4. Provide information or data on important fish and wildlife habitats or migration corridors potentially affected by the proposal.
5. Provide information on known active or inactive eagle nests in the project area.
6. Identify any permits and or clearances to be obtained from your agency for the project.
